"Yin Yang"

A new DELANCE creation the watch "Yin Yang" is telling the love story that united two different worlds, two persons, one born in Europe, Switzerland ; the other – in Asia, China. They got married on April 9. To mark this date and surprise his beloved he has chosen a beautiful ruby placed at 9 and 4 o'clock and a delicate engraving in the form of Yin Yang symbol set with a diamond and a blue sapphire. The three diamonds at the zenith have a very special meaning for both of them, the meaning that will remain their secret forever.
